Re: *Construction Cares* Community Event – Basket Draw Donors

Construction Cares is an interactive activity-filled community event for adults and children of all ages with net proceeds benefiting Hunter Syndrome (MPS II) research in Canada. The inaugural *Construction Cares* event will take place **Sunday, April 22nd, 2018** from 11am to 5pm at the historic Pipe Shop at The Shipyards, 115 Victory Ship Way, North Vancouver.

Over 1200 guests are expected to participate in this rain or shine event. A broad dynamic of families and individuals from the North Shore and Vancouver area are expected to attend. Admission is by donation, and everyone is welcome to attend and participate.

Local businesses, both construction-based and otherwise, are invited to become part of this growing event by donating items for our basket draws at the event; by becoming a sponsor or partner; or by renting a booth/exhibiting. Please review the attached basket draw donor package, and if able to donate items or a gift certificate, please complete the donor form thoroughly and attach to your donation. This ensures that we recognize you properly for your support in our event program and on our rotating PowerPoint during the event. Should you wish to receive information on becoming a sponsor or partner; or on renting a booth/exhibiting; please email Pamela Buck, Eventful Innovations at pbuck@eventfulinnovations.com.

Net proceeds from this event will be donated to The Hunter Syndrome (MPS II) Research Fund at The Isaac Foundation, where research for a cure for MPS II is well underway, and clinical trials are on the horizon.

Questions regarding the event may be directed to:

- Pamela Buck, Eventful Innovations: 604.551.5143 (mobile) or pbuck@eventfulinnovations.com
- Joe Geluch, Naikoon Contracting Ltd: 778.868.8757 (mobile) or joe@naikoon.ca

Thank you in advance,

Joe Geluch, Naikoon Contracting Ltd.
