Georgie Awards® Gala celebrates 2017 winners and 25 years of home building excellence

BURNABY, B.C. (March 13, 2017) – The 2017 Georgie Awards® winners were announced on Saturday, March 11, at the 25th Anniversary Georgie Awards® Gala in Vancouver.

The winners were announced by emcee Todd Talbot, co-host of *Love It or List It Vancouver*, in front of a sold-out crowd of more than 600 industry professionals. The silver anniversary event featured entertainment by DESTINEAK and Westcoast Contortion & Acrobatics, a seated dinner, and a masquerade-themed after-party.

The Georgie Awards® are an annual awards program presented by the Canadian Home Builders' Association of British Columbia. The awards are recognized provincially and nationally as a premier housing awards program that highlights excellence in home building and renovation in the province.

"Our members help to build and grow great communities throughout British Columbia. We are proud to present and host the Georgie Awards each year to showcase the innovation taking place within the industry." says CEO Neil Moody. "Congratulations to all of the 2017 winners on this exciting accomplishment."

Canadian Home Builders' Association of BC members submitted entries from across the province. Entries were built, renovated, developed, created and/or marketed between January 1, 2015 - September 30, 2016. The finalists and winners were selected by a panel of out-of-province industry professionals. The categories in the Georgie Awards® represent the diverse aspects of the industry, including new residential construction, renovation, marketing and energy-efficiency.

"We extend our appreciation to all members, sponsors, staff and volunteers who have contributed to the program's growth and success over the past twenty-five years. We look forward to building on this success and continuing to raise the bar for the Georgie Awards® in the years ahead," says Moody.
