# Core Competency Update Course

## *You're a busy professional—we get that!*

That's why this course is designed to update you on all 7 core competency areas outlined in the Homeowner Protection Act in just one day.

### Here's what you'll earn:

- 6 CPD points (3 Group A and 3 Group B)

### Here's what you'll learn:

- BC Building Code with the Building Officials' Association of BC (BOABC)  
*Need-to-know info about changes to the Code effective December 2018*
- Business vision & goals with Graeme Huguet from My House Design/Build Team
- Personal branding with Dawn Sondergaard from the Greater Vancouver Home Builders' Association (GVHBA)
- Financial planning & budget management with RBC Royal Bank of Canada
- Customer service & home warranty insurance with Joe LaFleche from Travelers
- Construction law with Andrew Delmonico from Kuhn LLP
- Project site work safety with the BC Construction Safety Alliance (BCCSA)
- Building science with Einar Halbig from E3 Eco Group Inc.

# Become a Member

As a CHBA BC member, you are not alone. To help you succeed, CHBA BC offers technical support services, reference materials and government information for the benefit of all its members. When you join one of the local affiliated Home Builder Associations in BC, your company automatically becomes a CHBA member at the local, provincial and national level.

## Benefits of Membership

- ✓ Customers will recognize you as a home building professional.
- ✓ You will have a powerful voice that can be heard on many issues that can directly affect your business.
- ✓ You will have the ability to market and brand your company as a leader by entering into the Georgie Awards®, the highest recognized award for excellence in home building.
- ✓ You receive member reduced rates on many CHBA BC education courses and events.
- ✓ Meet regularly and discuss industry business with like-minded professionals.
- ✓ Play an active role in your Association with the opportunity to make a difference in your industry.

For more information on membership, please contact the local association in your area: [www.chbabbc.org/local-associations](http://www.chbabbc.org/local-associations)
