Update from the Georgie Awards team at CHBA BC

On behalf of the Georgie Awards team at CHBA BC, I would like to thank all our participants and sponsors for your patience and understanding while we navigate these unchartered waters, following the postponement of the 2020 Georgie Awards Gala that was scheduled to take place on Saturday, March 14th, at the Westin Bayshore in Vancouver.

Please note that all ticket holders for the Georgie Awards gala will receive a full ticket refund.

We are excited to announce that for the first time ever, the Georgie Awards will be held online, in a virtual format, scheduled for June 26. We had hoped that we could still hold an in-person gala later this year; however, in keeping with an abundance of caution, we have altered this year's format, as there are ongoing restrictions on public gatherings and following the Association's responsibility towards ensuring public health and safety during this pandemic.

As government and business begin to look towards economic recovery, preparations at CHBA BC are underway to deliver an exciting and unique online Georgie Awards event to celebrate excellence in homebuilding, highlighting both the finalists and winners.

We, too, will miss the opportunity to see you in person, and the networking with industry colleagues that members and guests have become accustomed to over the years. We are, however, working hard to stage an innovative virtual online event that will recognize finalists and winners that will offer greater exposure and sponsor recognition.

Stay tuned for more details as they become available.

Keep safe!

Neil Moody
