Winners announced for the 2019 Georgie Awards®

BURNABY, BC (March 10, 2019) – The Canadian Home Builders' Association of British Columbia (CHBA BC) is pleased to announce the winners for the 2019 Georgie Awards®.

The awards were presented by emcee Todd Talbot, co-host of *Love It or List It Vancouver*, in front of a sold-out crowd of more than 650 industry professionals. Guests were treated to entertainment by Acrofire, a seated dinner and an after party.

Open to all CHBA BC member companies in B.C., the awards celebrate excellence in home building and renovation in British Columbia. To be eligible for a Georgie Award®, members submitted entries that were built, renovated, developed, created and/or marketed during the period of January 1, 2017 - September 30, 2018. The finalists and winners were selected by a panel of out-of-province judges.

“Congratulations to our 2019 winners on their outstanding projects and achievements this year” said Neil Moody, CEO of the Canadian Home Builders’ Association of British Columbia. “The Georgie Awards celebrate excellence in the residential construction industry, and the 200,000 hard-working professionals province-wide that make the industry strong.”

-30-

About the Georgie Awards®

The Georgie Awards®, Canada's premier housing awards program, are owned by the Canadian Home Builders' Association of British Columbia (CHBA BC). For the past 27 years, the Georgie Awards® have showcased the high quality and calibre of British Columbia's home building and renovation community. The Awards are provincial in scope and highlight the commitment and dedication to the building excellence and high standards that CHBA BC member companies strive to uphold.

About the Canadian Home Builders' Association of BC

The Canadian Home Builders' Association of BC is the leading advocate of the residential construction industry in British Columbia representing more than 2,000 members through an affiliated network of nine local home building associations located throughout the province. The industry contributes over \$25 billion in investment value to British Columbia's economy creating 200,000 jobs in new home construction, renovation, and repair - one of the largest employers in British Columbia.
