

CANADIAN
HOME BUILDERS' ASSOCIATION
BRITISH COLUMBIA

The Canadian Home Builders' Association of BC (CHBA BC) is the voice of the residential construction industry in British Columbia, representing 1,600 member firms across the province. As the demand for our licensing and continuing education programming continues to grow, we are looking to recruit additional instructors to facilitate our industry-leading courses. Our most immediate need is for a top-notch Project Management & Site Supervision instructor.

Required skills and qualifications:

- Residential construction professional with extensive superintendent experience
- Proven project management, budgeting and scheduling skills
- Strong knowledge of building science
- A champion of worksite safety
- Exceptional personnel and subcontractor management skills
- Strong knowledge of performance standards required for quality control and inspections
- Passion for improving company performance and profitability
- A dynamic and engaging facilitation style

This part-time, contractual opportunity will involve motivating and coaching students who are looking to become licensed, satisfy continuing professional development requirements, and/or grow their project management & site supervision expertise. Courses are offered throughout the province so you must be interested in and available for occasional travel.

Interested candidates are invited to contact Mika Fryling, Advisor, Education Programs, at 604.332.7112 ext. 312 or mika@chbabca.org. For more information on CHBA BC, please visit www.chbabca.org.
